What to Pack

When packing for your vacation to Ambergris Caye, Belize, it's important to consider the tropical climate and activities you'll be engaging in. Start with lightweight and breathable clothing such as shorts, t-shirts, and flowy dresses. Don't forget to pack swimwear as you'll have plenty of opportunities to enjoy the beautiful beaches and water activities. Sun protection is essential, so make sure to bring hats, sunglasses, and high SPF sunscreen.

Tipping

A 6% service charge is added to your accommodations. Tipping is at the discretion of our guests for any other services received. A 10-15% gratuity is common and appreciated throughout Belize when good service is received.

Currency

The Belizean currency is the Belize dollar (BZD). It is commonly exchanged at a rate of BZ\$2.00 for US\$1.00. Guests do not need to convert currencies; as places in Belize accept USD and will give back BZD in change.

Electricity

Belize uses 110 volt, 60-cycle electricity, the same as North America. Plugs are typically the 2-pronged flat type, so UK and European guests will need a converter or adapter.
